10<sup>TH</sup> AND 11<sup>TH</sup> SEPTEMBER 2021**

V letu 2021 praznujemo 200-letnico rojstva velikega slovenskega didaktika, geografa in kartografa Blaža Kocena (1821-1871), ki je s svojimi šolskimi atlasi, učbeniki in zemljevidi postavil temelje nazornejšega pouka geografije v osnovnih in srednjih šolah v tedanji monarhiji. Atlasi z njegovim imenom (*Kozennatlas*) izhajajo pri dunajski založbi Hölzel že 160 let in so še vedno sinonim za kvaliteto. V spomin nanj Društvo učiteljev geografije Slovenije – DUGS, v sodelovanju z Oddelkom za geografijo Filozofske fakultete Univerze v Ljubljani, Oddelkom za geografijo Filozofske fakultete Univerze v Mariboru, Fakulteto za humanistične študije Univerze na Primorskem, Zvezo geografov Slovenije, Občino Šentjur, Turistično olepševalnih društvom Ponikva in OŠ Blaža Kocena Ponikva organiziramo mednarodni simpozij pod naslovom:

**»NAZORNOST PRI POUKU GEOGRAFIJE NEKOČ, DANES IN JUTRI«**

Vse zainteresirane vabimo k prijavi prispevkov za simpozij do 20. 2. 2021 na [rbrate@guest.arnes.si](mailto:rbrate@guest.arnes.si)

**Organizacijski odbor**

*The symposium is organised in celebration of the 200<sup>th</sup> anniversary of the birth of Slovenian born didactician, geographer and cartographer Blasius Kozenn (1821-1871). With his School Atlases, Textbooks and Maps he set the foundations for the modern geography teaching in the Habsburg Monarchy. After 160 years atlases with his name (Kozennatlas) are still being published at Ed. Hölzel Verlag in Vienna and remain the synonym for the quality. Therefore the Society of Slovenian Geography Teachers; Department of Geography at the Faculty of Arts, University of Ljubljana; Department of Geography at the Faculty of Arts, University of Maribor; Faculty of Humanities, University of Primorska; Association of Slovenian Geographers; Municipality of Šentjur, TOD Ponikva and Blaž Kocen Ponikva Primary School are organizing the symposium under title:*

**»DEMONSTRABILITY AT THE GEOGRAPHY TEACHING IN THE PAST, PRESENT AND FUTURE«**

We invite all interested to register for their presentations until 20th Februar 2021 to [rbrate@guest.arnes.si](mailto:rbrate@guest.arnes.si)
